### ALUMNI HONORED FOR THEIR DEDICATION TO ECU

The Spring Alumni Awards Ceremony was held on April 21 at the Leo W. Jenkins Fine Arts Center on the ECU campus. The evening event recognized the 2006 Distinguished Service and Honorary Alumni Award recipients and the 12 student recipients of the Alumni Scholarship. The ceremony included music by the a cappella group, The Magnolia Belles, and a solo voice performance by ECU Ambassador, Marcus Coward '06.

The **Distinguished Service Award** recognizes outstanding and uncommon service to East Carolina University. This year's Distinguished Service honorees include Linda A. Lynn Tripp '80,'81 and Phillip R. Dixon '71. In 1992, Tripp established Carolina Court Reporters, Inc., a private court reporting agency in Greenville. Tripp serves as President of the Pitt County Pirate Club, President of FRIENDS of the S. Rudolph Alexander Performing Arts Series, and was recently recognized as the Greenville-Pitt County Chamber of Commerce Citizen of the Year. Dixon is an attorney and partner at Dixon, Doub & Conner in Greenville.

### HOW CAN I RECOGNIZE SOMEONE FOR THEIR DEDICATION TO ECU?

Honoring the achievements and service of members of the Pirate Nation is extremely important to the East Carolina Alumni Association. The most visible way we honor alumni is twice a year at our spring and fall Alumni Awards ceremonies. The success of this program and the caliber of our award winners hinges on the letters and nominations that alumni like you send recommending fellow Pirates for our awards. Here is the process for choosing the annual recipients of the Outstanding Alumni, Honorary Alumni, and Distinguished Service Awards.

#### The Process

- Visit PirateAlumni.com to print a form for the appropriate award and submit your nomination to:

Attn: Awards

# Dear Alumni,

As East Carolina approaches our Centennial in 2007, your Alumni Association continues to adjust to the realities of communicating, programming and serving our alumni population made up of over 120,000 Pirates world-wide. In order to provide the Alumni Association our alumni

and East Carolina University deserves, additional resources need to be generated to fund a quality program. Like many Alumni Associations nationwide, we are excited to announce the launch of a great way for you to show your Pirate Pride through Charter Membership in the East Carolina Alumni Association. To serve our growing alumni population more effectively and help East Carolina University achieve greater heights, the Alumni Association will extend extra benefits to dues paying members.

Membership in the East Carolina Alumni Association gives alumni a tangible way to demonstrate their pride, dedication and

commitment to East Carolina University. Membership in the Alumni Association creates a direct link between individuals like you who are dedicated to maintaining the excellence of this institution.

In addition to the pride alumni feel when joining, membership also provides valuable benefits and services that save members money. Membership is important to us in many ways. It allows us to provide quality programs and services such as Career Programs like Pirate Career Calls and the Pirate Alumni Network, Continuing Education programs, cultural and athletic events, and traditional activities such as Homecoming and reunions.

Membership also helps us recognize achievers in the classroom with scholarships and faculty excellence awards and beyond the classroom with Alumni Awards, and the Robert H. Wright Senior Leadership Award. In addition, your membership supports and delivers award winning communications like *East* magazine, *PiratePulse* (alumni eNews), *A Pirate's Chantey* (members-only newsletter), *PirateAlumni.com*, *PirateAlumni* RSS feeds and *A Pirate's Life for Me!* the Association's radio show.

Your membership expands the resources available to East Carolina University. I encourage you to take an active role in your East Carolina Alumni Association to do all we can for ECU. Join today by completing and returning the form on page 11, visit us at *PirateAlumni.com*, or call 800-ECU-GRAD.

## **ALUMNI HONORED continued from page 1**

Dixon currently serves on the UNC Board of Governors and is a former Chairman of the Board of Trustees. He is a past president of the Alumni Association and received the Outstanding Alumnus award in 1984.

**Honorary Alumni** status is extended to individuals who did not attend ECU but have adopted the university as their own through uncommon and outstanding service, substantial and continuing commitment, and loyalty. In recognition of the expressions of goodwill, the Alumni Association annually inducts those who particularly deserve to be recognized as honorary members of the Alumni Association. Selections are made by the Alumni Association awards committee. The 2006 awards go to Dr. Hervy Kornegay, and James "Jim" A. Woods Jr. Kornegay is a family physician at a rural health clinic in Mount Olive and is on ECU's community faculty as a clinical instructor at the Brody School of Medicine. Additionally, Hervy's wife Deborah '71 and five of their seven children are ECU alumni. Woods, who was recognized posthumously, is credited with the creation of the East Carolina Pirate Sports Network and served as its play-by-play announcer, affectionately dubbed the "Voice of the Pirates" and served as news anchor and talk show host for 30 years on WNCT-TV Ch. 9. Following retirement, Woods joined the news team of WITN-TV Ch. 7. Woods promoted the University in ways that extended beyond his responsibilities as a community broadcaster.

## **HOW CAN I RECOGNIZE continued from page 1**

- Nominations are accepted year-round. To be considered for 2007, nominations must be received by November 1, 2006.
- Every nomination received is presented to the Awards Committee of the Alumni Association's Board of Directors.
- The committee reviews the nominees and selects the recipients. Selections by the awards committee are not subject to a vote by the total Board of Directors; however, a report of such action is submitted to the Board.
- The recipients are then contacted to see if they are available to attend the awards ceremony (a requirement to receive an award).
- Once confirmation of availability is obtained, the Alumni Association publicly announces the recipients.
- If a nominee is not selected they will be eligible again the following year. Nominations are valid for two years.
- The Honorary and Distinguished Service Awards are presented at the Spring Awards ceremony (usually held in April) and the Outstanding Alumni Awards are presented at Homecoming in the Fall.

You are encouraged to nominate someone today so that they can be honored by the Alumni Association and be held up as an example for the rest of the Pirate Nation.

## MAGNOLIA BELLES

The Magnolia Belles are a student-run a cappella group consisting of 10 talented undergraduate women from East Carolina University. This group was started in January of 2006 and is one of two student organizations sponsored by the East Carolina Alumni Association. Magnolia Belles is a name inspired by the beautiful Magnolia's trees that adorn our campus and honors the memory of three sisters who came to East Carolina Teachers College from Magnolia, NC in the 1920's. The Magnolia Belles perform for alumni, campus and community events and performed last spring at several Chancellor's Tour events, the ECU 99th Birthday student celebration and at the Candlelight Induction Ceremony sponsored by the Alumni Association for graduating seniors.

### ECU IN INDIA

The generosity of an ECU alumnus has helped to bolster student interest in East Carolina University's study abroad programs.

Thomas Bland '02, of Raleigh, provided funding for an embedded reporter to accompany a study abroad trip to India. "Discovering Sacred Spaces" is the theme of the month-long trip, led by Derek Maher, ECU co-director of religious studies. Maher is leading 15 students through religious sites in Delhi, Agra, Varanasi and Bodh Gaya. The group is also spending two weeks in Dharamsala, the Tibetan exile community.

Erica Plouffe Lazure, a staff writer for ECU's News Bureau, wrote articles and took photographs of the trip in an effort to increase student interest in study abroad programs at ECU.

In addition to a series of newspaper articles, including a five-part travelogue series in the Daily Reflector, Lazure is also maintaining an online travelogue (blog). She is also working with Public Radio East to produce audio diaries.

Visit <http://ecu-in-india.blogspot.com> to read day-to-day dispatches of the group's adventures.

"Frances and I have enjoyed a lifelong relationship with East Carolina. I grew up a block from campus, met my bride at class registration, got Frances in trouble for holding her hand on the Mall, and have made great friends with so many fellow Pirates, including President Wright and Chancellors Jenkins and Messick."

Join Virgil '50 and Frances '52 Clark as charter members of the East Carolina Alumni Association. Membership in the Alumni Association helps to provide quality programs and services such as Pirate Career Calls and the Pirate Alumni Network, traditional activities such as Homecoming and reunions, alumni and faculty awards, and student scholarships. As a member, you will join the ranks of alumni like the Clarks who demonstrate their pride, dedication, and commitment to East Carolina University. Join today!

## TOP TEN REASONS TO BE A MEMBER OF THE ALUMNI ASSOCIATION

### EAST CAROLINA PRIDE

Membership shows a commitment to the University and pride in supporting the programs that make East Carolina a strong and successful community. Reminisce and brag – East Carolina is the fastest growing institution of higher learning in North Carolina! The excellence we have achieved in the arts, teacher and nurse preparation, world class medical training, and accessible online education coupled with our multi-million dollar economic impact explains why there is no doubt people call us the University FOR North Carolina. Through the Association, alumni will always have a place within the University and the University will always have a place in the lives of her alumni.

### AWARD WINNING COMMUNICATIONS

*East* magazine and *A Pirate's Chantey* informs readers of East Carolina's achievements, challenges, people, and programs. Communications also include Internet-based media such as *PiratePulse*, RSS feeds, podcasts, and PirateAlumni.com, your 24/7 connection to East Carolina.

### DEDICATION TO OUR STUDENTS

The Alumni Association is committed to our current students as future alumni. The Association annually invests over \$50,000 in student programs, services, and scholarships.

### MEMBER-ONLY PROMOTIONS

Your Alumni Association membership allows access to a variety of special promotions including discounts nationwide, early notification of programs and events, and member's-only event pricing like our \$5 tailgate. Keep your membership card handy so you can take advantage of all member discounts. Show your Pirate Pride on the road with your car decal; replacements are available upon request.

### ALUMNI CAREER SERVICES

The Career Center and the Alumni Association partner to offer the Pirate Alumni Network (PAN) and Pirate Career Calls. Alumni can volunteer their time to offer guidance to current ECU students who are interested in learning more about prospective professions.

### FACULTY SUPPORT

The Alumni Association assumes the responsibility of awarding outstanding faculty. Each year, the Association recognizes three East Carolina faculty members for their dedication, commitment, and arduous work. We also support the programs and communications of the Retired Faculty Association.

### CONNECTIONS THROUGH PARTICIPATION

Events and programs are developed and offered each year for alumni to come home to East Carolina either on campus or with alumni and guests across the Pirate Nation. Examples of these events include Homecoming, reunions, tailgates, Chancellor's Tour, and golf tournaments. Member dues help support opportunities for alumni to stay connected to campus, classmates, and our world-class faculty.

### TORCHBEARERS OF TRADITION

From Homecoming and the Golden Alumni Ceremony to ECU's Annual Birthday Celebration and the Senior Candlelight Ceremony, tradition abounds at dear ole East Carolina and your Alumni Association's support keeps these traditions alive and well. In addition, new traditions like Walk the Plank, Class Ring Day, and Senior Week have been ignited through the ideas and support of alumni volunteers.

### STUDENT RECRUITMENT

Care for and be part of the growth of East Carolina through programs such as ECU Today and Freshmen Sendoffs. These programs are important to bringing quality youth to East Carolina and alumni play a role in helping students choose ECU as their university of choice.

### INCREASE ECU'S NATIONAL RANKINGS

A strong Alumni Association makes a stronger university and increases the value of an East Carolina degree. The Chancellor often emphasizes "that for East Carolina to continue to be the University FOR North Carolina, strong alumni support is critical." National ranking organizations agree. In fact, "alumni participation" is included in their evaluations and ultimately, in how they rank an institution. Membership in your Alumni Association helps ECU rise in national rankings.

# Embrace Your Inner Pirate.

Staying in touch with your inner Pirate is about keeping connected to East Carolina – your university, your people, your traditions. East Carolina Alumni Association members make-up a community of people who have a shared ECU experience, who care about the university, and who want to stay connected to it. The Alumni Association is here to keep you connected to ECU throughout your lifetime.

By becoming a member of the Alumni Association, you are supporting alumni programs and scholarships and showing your commitment to excellence at ECU. In return, you will receive additional communications about East Carolina and alumni events in your area. You will also receive discounts on dining, travel, and entertainment locally and nationwide. Best of all, you will have pride in membership.

The East Carolina experience creates a sense of passionate pride among alumni and friends. Every member of the ECU family has an inner Pirate and we say embrace and let it show!
